WHY

Every family is unique in their own way so we made a dance that has space for everyone!

Single mom of girls - Take your little ladies!

Looking for a mother son dance - Mom, take your son!

Want a daddy daughter dance - Dad, take your daughter!

Caregiver with a boy & girl - Hey we got you, you all can come together!

Split family dynamic - Each family can pick one of the times to go separately or all party together!
