

Hi Evergreen Families,

I have had a few families reach out asking about the drop-off loops for Monday morning's first half-day of school. The maps for each drop-off zone have been attached to this email.

Our new preschool classrooms will not be starting school for a couple of weeks yet and when they do, our preschool families will use the west entrance parking lot along with our third-grade families. We will send another email around that time with more details about the preschool drop-off plans.

A quick reminder that Monday's half-day of school for Evergreen will begin at 8:37 and will finish at 12:01.

Respectfully,

Doug Bol, Principal
Evergreen Elementary School
