		\$4.00	\$6.00	\$8.00	\$10.00

School Cancellation

Snow Days / School Delays

If there is a 2-hour delay, we will keep your child at the Elementary until school begins. If school is canceled for the day, so is The Good Time Friends. You have the option to do one of the following:

-  Pick your child up as soon as possible
-  Make arrangements for someone else to pick your child up as soon as possible

***If school is canceled The
Good Time Friends will not
be in session.***

Half Days

The “Good Time Friends” program follows the Allendale Public School calendar. When the public school has 1/2-day sessions, *and based on enrollment* (see handbook), the “Good Time Friends” will run from the time school dismisses until 6:00 p.m. During those ½ days, the Good Time Friends may decide to go on a field trip. We will send home in advance a permission slip along with the activities planned. The additional fee for the planned activity and bus fee will be shown on the permission slip. An hourly rate applies for all half days.

Registration Fee:

The \$30 non-refundable registration fee that is charged at the time that you sign up your child is used to buy special things for the children during some of their half days. The items that the children receive are theirs to keep.

Snack:

An afternoon snack is provided for the children. When “The Good Time Friends” are in session for half a day you are responsible for providing your child with a sack lunch.

Mornings

When the children arrive in the morning they have a choice of different craft projects, table games, play dough, etc. to do. Breakfast is usually eaten around 7:30. If your child eats breakfast with the Good Time Friends, you can send a box of cereal, pop tarts, etc., and donate \$3 per month for milk. Your child also has the option to buy their breakfast through the hot lunch program served at 8:25 a.m. After breakfast the activities resume until it is for school to begin.

After School activities:

Weather permitting – play on school playground, one day per week we visit the computer lab. Other days we have crafts and other planned activities, as well as use of the school gym. Homework center available.
