

**Allendale Public Schools
District-Wide Committee Meeting Dates
2010-2011**

APS offers a variety of district committees that provide the 'big picture' look at what we offer our students and to help us define our path and priorities for the future. Parent and community participation in these committees is crucial in ensuring that we meet the needs of our students. Please check out the committees listed below to find your area of interest. If you would like to become a member of a committee, please contact Karen Ensing at the District Office—892-5570.

District Improvement Committee

The District Improvement Committee reviews student achievement data and establishes, implements, and evaluates goals to improve student performance. In addition, the District Improvement Committee oversees the K-12 curriculum.
