XVI. ACTION ITEMS

A. Approve NEOLA Policy Updates

Background: Approve the Spring 2024 updates to NEOLA policies #2410, 2414, 2418. These changes are in response to changes in the Michigan school code, particularly as it relates to required consequences for staff and Board members who advise or assist students with abortion information.

B. Proposal to purchase new Firearm Detection Software

Background: The State of Michigan created the 97i grant to be used for Firearm Detection Software for increasing student safety. We applied for and were approved for this funding. Under the guidelines of this grant, we will receive \$341,250.00 of the total cost of \$371,250.00 for 5 years. Everything will be

covered by the grant in the first year, and then the district will pay \$7,500.00 for each of the next 4 years. Information on this product can be found at zeroeyes.com

C. Resolution to approve Ballot language for Bond proposal

Background: The District is preparing to take a proposal to the community through a ballot initiative during the election held on August 6, 2024. The Board needs to review and approve the resolution prepared by our attorneys in order to put this question on the ballot.

D. Resolution to approve OAISD 2024-2025 Budget for Ottawa Area Intermediate School District General Fund Budget Resolution

Background: Each local district is required to pass a resolution approving the ISD's General Fund Budget. This is an annual event. In accordance with Section 380.624 of the Revised School Code, this Board must now adopt a resolution expressing its support or disapproval of the proposed ISD budget, and must submit to the ISD Board any specific objections and/or proposed changes to the budget prior to June 1, 2024.

E. Resolution Scheduling 2024 Truth-in-Taxation, Budget Hearing

Background: This is a resolution to establish an annual hearing conducted each June to allow citizens to make comments regarding the general fund budget before it is approved.
