XV. ACTION ITEMS

A. Middle School Handbook Revisions (Separate Attachment)

**Background:** Travis Plain has revamped the Middle School handbook to more closely align with the High School handbook.

**Recommendation:** Approve handbook changes as presented.

Motion by Haight, seconded by Modderman, Jr., to approve the Middle School Student Handbook as presented. Motion carries.

B. Approval of a New Elective Course at Middle School

**Background:** We have a very large class of 6th grade students this year, 221 as of 8/6/19, making it very difficult to schedule and maintain reasonable class sizes in electives. This will be an Intro to Psychology class. It will be a trimester class with 2 sections. 1 for 6th grade and 1 for 7th grade (30 kids in each class). This will give a new elective for kids and help alleviate the large class sizes. Marianne Provenzano has experience teaching Psych in the HS and will adjust it for 6th and 7th graders. The idea is to teach kids about learning styles, how the brain works, mental illness, etc.

**Recommendation:** Approve the course addition as presented

Motion by Cannata, seconded by Haight, to approve the new elective course as presented. Motion carries.

C. Approval of Mechanical Design Option for High School Air-conditioning project (Separate Attachment)

**Background:** The design team has put together three separate proposals for the mechanical work to provide air-conditioning to the high school, which was a project identified and approved in the Bond passed in 2017. Option “2” would include the traditional cooling system maintaining service in the areas it is already set up to cool using our current equipment, but this option includes adding the foundational equipment to service the other parts of the building with a geothermal system.

**Recommendation:** Approve the recommendation to accept the proposal indicated as Option “2” in the informational packet distributed as “Mechanical Design Options.”

Motion by Haight, seconded by Cannata, to approve Option “2” as the plan for providing air-conditioning to the high school as presented

Roll Call Vote:  Breen – YES; Cannata – YES; DeJong – ABSENT; Haight – YES; Modderman, Jr. – YES; Richards – YES; Thurkettle – YES. Motion carries.
