

Good Afternoon Evergreen Families,

It is not often that you get two Evergreen Updates from me in the same week, but there are a couple of important items that I want to share with you as we head into our weekend. Here is our abbreviated Evergreen Updates... to access this week's full Evergreen Updates, check your email for "Evergreen Updates 4.28.25."

Video Message from Mr. Smolen

Mr. Smolen, Allendale's Early Childhood Center Principal, had an opportunity to be involved in a video message about the May 6 bond proposal and the direct connection that it has to the Early Childhood Center. In an effort to inform our community members as much as possible, we thought it would be helpful to share the link to Mr. Smolen's video. If you have a couple of minutes, I encourage you to check it out: <https://www.youtube.com/watch?v=AVA43Oqxnrc>
