This district does not discriminate on the basis of race, color, disability, religion, gender or national origin. The district reserves the right to limit enrollment based on capacity of buildings or programs as well as failure of applicant to meet any special requirements for entry into its buildings or programs. Enrollment may also be denied to a student who has been suspended or expelled from their previous district or convicted of a felony and to a Special Education student wishing to enroll under Section 105c for whom a written cooperative agreement regarding costs cannot be obtained with their district of residence. I understand these limitations and certify that the information provided on this application is true and complete to the best of my knowledge. I understand that it is against Michigan High School Athletic Association's Rules and Regulations to enroll in a district outside of the student's resident district for athletic reasons, and this is not the reason for reenrolling at Allendale Public Schools.
