ROTARY INFORMATION

Rotary began as an idea more than 100 years ago. Today, Rotary flourishes worldwide with 1.2 million members in more than 200 countries and geographic areas. The world's first club, the Rotary Club of Chicago, was formed in 1905 by Paul P. Harris, an attorney who wished to capture in a professional club the same friendly spirit he had felt in the small towns of his youth. The Rotary name is derived from the early practice of rotating meetings among member's offices.

Rotary popularity spread, and within decades, clubs were chartered from San Francisco to New York to Winnipeg, Canada. By 1921, Rotary clubs had been formed on six continents.

The Allendale Rotary Club was established on March 5, 2009.

OUR COMMITMENT TO ALLENDALE

Since its inception in 2009, the Allendale Rotary Club has supported initiatives within the Allendale Community to better serve our children and families. The Club annually raises funds for the Amazing Reading Bus which provides literacy opportunities to children throughout the community. Allendale Rotary Funds have also gone to support the Splash pad in the Allendale Park as well as the Back to School Fair and various local non-profit groups.

The Rotary Club has sent several students to an annual Life Leadership Conference to develop leadership skills and continues to focus on the importance of continuing education by providing scholarships each year.

It is our hope that our service to Allendale will make a positive impact for generations to come and will inspire others to service as well.
