

Dear Parents,

Wee One's Preschool is designed to provide your child with a happy learning environment. We try to meet individual needs in many different ways because not all children learn the same. We offer centers each day that balance structured with unstructured activities. We have weekly themes and periodically offer field trips to coincide with the themes. (Some of the field trips include going to the Pumpkin Patch, local fire station, special speakers such as policemen, dentists, etc.)

In daily "free play," children select their own activities from a variety of planned projects. Within the limits of safety and courtesy to classmates, we allow them to explore, improve motor skills, create an imaginary world, and ready themselves for future schooling. In small and large group activities, our staff provides more structured opportunities for each child's involvement. We are not providing academic programs that duplicate the kindergarten experiences to come. By offering children opportunities and activities in which they can be successful and have fun, they will have great success in their continued school years.

Requirements:

- For the 3 year old program your child must be 3 by the time preschool begins and they must be potty trained
- For the 4 year old program your child must be 4 by December 1
- A \$35 registration fee is paid at the time of enrollment. This holds an opening for your child for next fall. \$30 is for registration and non-refundable. \$5 is for your access key and will be refunded when your key is turned in at the end of the year.
- Your child can not begin preschool unless we have a completed health form on file with shots up-to-date, a completed child information card and full tuition payment.

Classes	Days	Times	Tuition
3 year old	2 days - M/W a.m. or T/Th a.m.	9-11:30 a.m.	\$320 per semester (15 weeks)
